

What's with the funny spelling?

I'm so glad you asked! The name comes from the dual-intended purpose of the event. Let me explain. First, Webster's defines **re:** as "with regard to." So, read one way, the name **re:NEW** means "with regard to new." The "new" that I hope will happen during this weekend is a reference to new life. It is my prayer that lost students will encounter God in such a real way that they are led into a relationship with Him and experience **new life!** Second, Webster's defines the word **renew** as "to make like new: restore to freshness, vigor, or perfection." So, read another way, the name is a reference to a revitalization. What I pray is revitalized during the weekend is the spiritual life of Christian students. Sometimes it is important to sit back and allow God to renew our spirit. I pray that just that will happen for some of you this weekend.

ABOUT THIS YEAR'S THEME:

Who are you? Who do you want to be? More importantly, who does God want you to be? We're going to examine the life of the apostle Paul and the radical change that God brought about in his life and see what God might have in store for our lives today. Come discover your IDENTITY!
